July 25, 2017

Dear Parents,

For those new to Saint Ann School, the IRIS Alert System is our way of communicating quickly with our parents. IRIS Alerts notify our families if there are school closings, a change in the calendar, or a reminder that something is impending. It is important that this information is updated every year.

For those already in Saint Ann School, if you changed your email address, phone number, or street address, please notify the school immediately so that we can update your records. For those who have been receiving IRIS Alerts, there is no need to send in this form.

The quicker we receive this form, the faster we can update your information.

Thank you,

Mrs. Ficchi
